**Week 9 and 10**

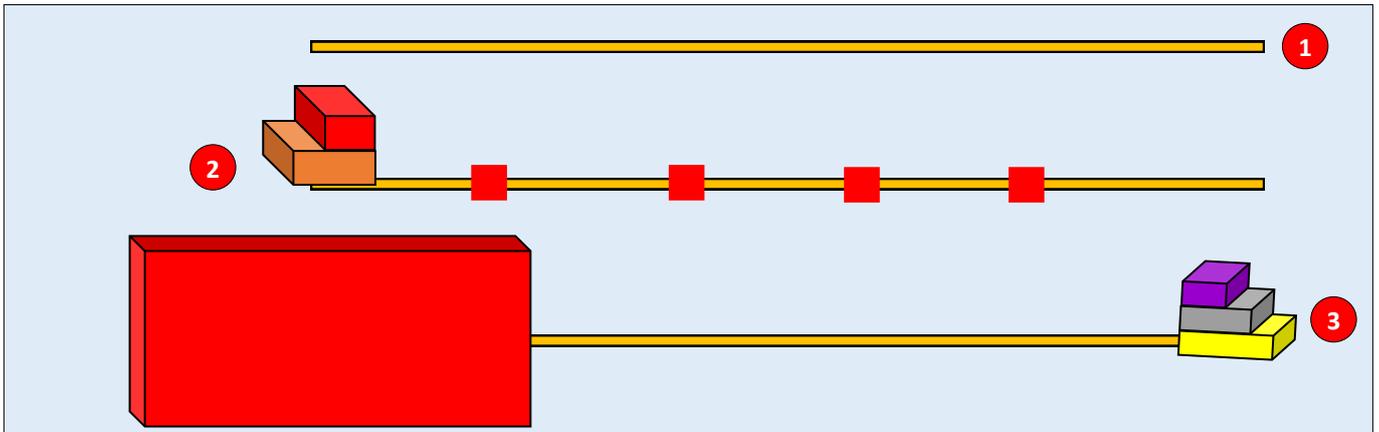

<p><b>Introduction</b></p>	<p>Ask all children to make their way down to the mats          Introduce coaches and trainee coaches          Explain and demonstrate the following shapes</p> <ul style="list-style-type: none"> <li>Tuck</li> <li>Star</li> <li>Rocket</li> <li>Soldier</li> <li>Motorbike</li> <li>Front support</li> <li>Back support</li> <li>L-shape</li> <li>Lunge</li> <li>Arabesque</li> <li>Candlestick</li> <li>Dish (week 9)</li> <li>Arch (week 10)</li> </ul> <p>Have the children try making these shapes</p>
<p><b>Tips</b></p>	<p>You can try saying the shapes and look for the strongest or fastest shape.          Other coaches also need to be on the lookout for children arriving late and assist them to join in          Ensure gymnasts are well spread out on the line          May need to repeat each activity several times</p>
<p><b>Joint Mobilisation</b></p>	<p><b><u>Copy Cat</u></b></p> <p>The children have to copy everything you do like a mirror image          Slowly perform the following activities</p> <ul style="list-style-type: none"> <li>* Head up, down</li> <li>* Head side to side</li> <li>* Star shape, circles with hands</li> <li>* Circles at elbows</li> <li>* Circles with arms</li> <li>* Star shape twist to each side</li> <li>* Lean over to each side, one hand to knees other hand to roof</li> <li>* Circles with hips</li> <li>* Bend and straighten knees</li> <li>* Point and flex toes</li> <li>* Sit in tuck shape</li> </ul>
<p><b>Tips</b></p>	<p>Activities need to be performed slowly          If children are losing attention add in a clap or something silly (scratch your head, yawn, cough)          There is no need to perform passive stretching (e.g. touching toes) at this level          Tell the children you're looking for the person trying the hardest to copy you. Acknowledge several children at the end who were trying hard</p>
